Jan Michael Morris is a Partner in the Firm's Boca Raton office. He has more than 20 years experience as an attorney in Florida. Before joining Adorno & Yoss he maintained a highly successful small practice from 1990 through 2007. His primary areas of practice are commercial/civil litigation, real estate, personal injury, as well as entertainment and sports law. Mr. Morris has appeared regularly before numerous courts throughout the country, and has obtained judgments on behalf of his clients which total in the millions of dollars.

Jan Michael Morris has been awarded the distinguished "BV" rating from *Martindale Hubbell Law Directory* for his excellence in the practice of law.

Mr. Morris' current and former clients include Richard Williams (father of Venus & Serena Williams); best selling author and inventor, Dr. Nicholas Perricone, M.D.; heavyweight boxer Donovan "Razor" Ruddock; National City Bank of Ohio and other financial institutions; as well as various other individuals and companies across the country.

Mr. Morris has spoken on numerous legal topics throughout the country. Most recently in 2007, he was invited to speak alongside former Auburn University Head Football Coach, Mr. Terry Bowden, and other renowned panelists at the Florida State University College of Law Symposium on Entertainment, Arts and the Sports Industry.
